

SAVE THE DATE!!! JUNE 15th, 2012

Help support United Cerebral Palsy on... *UCP DAY*

San Diego County will look a little different on **June 15th**, when employees get casual for a cause. It is all part of United Cerebral Palsy's "No Limits" **UCP DAY**. Employees throughout San Diego County will team up *to advance the independence, productivity and full citizenship of people affected by cerebral palsy and other disabilities.*

In exchange for a suggested minimum donation of \$5 to UCP, employees will be permitted to come to work in their casual clothes on whichever day of the week works best for your company. They will even get a UCP Day "No Limits" wristband to let visitors know they are helping people with disabilities. We will have our popular UCP Bean Bag Animal and UCP Day Theme T-shirt. Last year we raised more than \$15,000 for UCP, and just remember, over 85 cents from every dollar raised goes directly into programs and services in San Diego County.

Why participate in UCP Day?

- * It allows employers to give employees a fun, popular benefit – at no cost to the company!
- * Incurs no lost time since the employees participate while doing their jobs.
- * Is simple to implement. UCP staff members will help you all the way!
- * Provides positive public relations opportunities.
- * Demonstrates to the community and employees that your company is a good corporate citizen.
- * Raises funds, which allows UCP to help people affected by cerebral palsy and other disabilities here in San Diego County.

Don't miss out on a great employee morale booster just because you may have already worked a casual dress code into your company policy. UCP Day can be tailor made to fit your company's needs. You could have a **Casual Theme Day, Casual Thursday And Friday, Casual For A Week, Casual For A Month, Casual For The Summer...**Remember if June 15th does not work for your company, *pick a day that does!*
