INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

Board of Directors
United Cerebral Palsy Association of San Diego County
San Diego, California

We have audited the accompanying financial statements of United Cerebral Palsy Association of San Diego County, which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

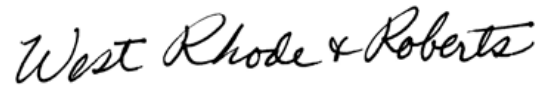

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Cerebral Palsy Association of San Diego County as of September 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited United Cerebral Palsy Association of San Diego County's 2017 financial statements, and we expressed an unmodified audit opinion on those financial statements in our report dated January 23, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2017 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1. Organization and Significant Accounting Policies

Organization and Activities

United Cerebral Palsy Association of San Diego County (the Association) was formed under the laws of the State of California to advance the independence, productivity, and full citizenship of people affected by cerebral palsy and other disabilities.

Significant Accounting Policies

Method of Accounting – The financial statements of the Association have been prepared on the accrual basis of accounting.

Basis of Presentation – Net assets and revenues, gains, and other support are classified as unrestricted, temporarily restricted, and permanently restricted based on the existence or absence of donor restrictions on when and how the Association is to use the net assets. Accordingly, the net assets of the Association and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to any donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Association or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed restrictions requiring that the principal be maintained permanently by the Association. As of September 30, 2018, the Association had no permanently restricted net assets.

Revenue Recognition – Contributions are recognized as revenue when they are unconditionally pledged or when all conditions have been met.

The Association reports contributions as restricted if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted revenues are reclassified to unrestricted revenues and reported in the statement of activities as revenues released from restrictions. Contributions with donor restrictions requiring the principal gift to be held in perpetuity are reported as permanently restricted. The income earned from such assets is generally restricted to the purpose designated by the donor. Gifts not designated for a specific purpose are reported as increases in unrestricted net assets.

Contributions of service are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Association reports such contributions at their estimated fair value when received. During the year ended September 30, 2018, no material contributions of services were recorded.

Cash and Cash Equivalents – The Association considers all highly liquid debt instruments with an original maturity of less than three months to be cash equivalents.

Accounts Receivable – Accounts receivable consists mainly of amounts due from contracts. All accounts receivable are reviewed for collectability and reserves for uncollectible amounts are recorded based on previous experience and economic factors. Accounts are written off against the allowance for doubtful accounts when deemed uncollectible. Management has determined that an allowance of \$2,000 is needed for the year ended September 30, 2018.

Investments – Marketable securities, consisting primarily of mutual funds, are carried at market value as measured principally by market quotations. Accordingly, the carrying amount of the investments is adjusted for unrealized gains and losses.

UNITED CEREBRAL PALSY ASSOCIATION OF SAN DIEGO COUNTY
NOTES TO FINANCIAL STATEMENTS

Property and Equipment – Purchased property is recorded at cost and donated property is recorded at the estimated fair value on the date received. The Association capitalizes all amounts greater than \$1,000. Property and equipment is depreciated on a straight-line basis as follows:

Building improvements	2 to 10 years
Furniture and equipment	5 to 10 years
Automotive equipment	5 years
Computers and software	3 years

Depreciation expense totaled \$31,643 for the year ended September 30, 2018, of which \$17,709 is included as part of thrift store expenses on the statement of activities.

Deferred Revenue – Deferred revenue represents monies received in advance for events or services not yet performed.

Thrift Store Revenue – The Association engages directly in the solicitation, pickup, and sales of goods donated for its behalf.

Functional Allocation of Expenses – Salaries and related expenses are allocated to the various programs and supporting services based on actual or estimated time employees spend on each function. The remaining expenses are specifically allocated whenever practical, or are allocated based on space utilization.

Income Tax Status – The Association is exempt from federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code and is also exempt from state income taxes. The Financial Accounting Standards Board (FASB) issued Accounting Standards Codification No. 740-10, *Accounting for Uncertainties in Income Tax*, which sets a minimum threshold for financial statement recognition of the benefit of a tax position taken or expected to be taken in a tax return. The Association has reviewed its positions for all open tax years and has determined that it has no uncertain tax positions requiring accrual or disclosure.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events – Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are available to be issued. The Association recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at that date, including the estimates inherent in the process of preparing financial statements. The Association’s financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position, but arose after that date and before the financial statements are available to be issued.

The Association has evaluated subsequent events through January 16, 2019, which is the date the financial statements are available for issuance, and concluded that there were no events or transactions that needed to be disclosed.

Note 2. Concentration of Credit Risk

Throughout the year, the Association may maintain cash balances at a bank in excess of the Federal Deposit Insurance Corporation limit of \$250,000. The Association has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk.

Note 3. Fair Value Measurements

Due to the short-term nature of cash equivalents, receivables, prepaid expenses, accounts payable and deferred revenue, fair value approximates carrying value. In accordance with Financial Accounting Standards Board Codification No. 820 (FASB ASC 820), fair value is defined as the price that the Association would receive upon selling an asset or transferring a liability in an orderly transaction to an independent buyer in the principal or most advantageous market of the asset.

FASB ASC 820 establishes a three-tier hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs and to establish the classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available. The standard describes three-tier hierarchy of inputs that may be used to measure fair value as follows:

Level 1: Quoted prices (unadjusted) of identical assets or liabilities in active markets that the Association has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Association's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Assets measured at fair value on a recurring basis are summarized below:

Fair Value Measurements at September 30, 2018, Using:

	<u>Total</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Assets				
Mutual funds	\$ 307,467	\$ 307,467	\$ -	\$ -
Investments at San Diego Foundation	13,322	-	13,322	-
Corporate securities	819	819	-	-
Total assets	<u>\$ 321,608</u>	<u>\$ 308,286</u>	<u>\$ 13,322</u>	<u>\$ -</u>

The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. However, in certain instances, there are no quoted market prices for the Association's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

Note 8. Related Party Transactions

During the year ended September 30, 2018, the Association had a management agreement with the United Cerebral Palsy Foundation of San Diego County (the Foundation), a Type III supporting organization, to provide accounting activities, and was paid \$3,000. In addition, the Foundation made a grant to the Association in the amount of \$160,000. The Association made new grants to the Foundation totaling \$9,033. The Association made a payment on the grant payable to the Foundation in the amount of \$90,000.

UNITED CEREBRAL PALSY ASSOCIATION OF SAN DIEGO COUNTY
NOTES TO FINANCIAL STATEMENTS

The Association's bylaws require that it donate 50% of unrestricted bequests to the UCP Foundation of San Diego County, a Type III supporting organization. As of September 30, 2018, \$146,524 was still outstanding as grant payable.

The Association has a line of credit from the Foundation of \$300,000 that is currently at a rate of 1.5% in excess of the Wall Street Journal Prime Rate which was 4.25% at September 30, 2018. The interest accrued relating to this line of credit for the fiscal year ended September 30, 2018, was \$14,022. The line of credit had an outstanding balance at September 30, 2018 of \$55,000.

Note 9. Commitments

Note 14. September 30, 2017 Financial Information

The financial statements include certain prior year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended September 30, 2017, from which the summarized information was derived.

Note 15. Board Designations

The Association's Board decided that a building designation is not currently the priority of the Association. The People First designation requirement has ended. Both designations were voted to be removed during the year ended September 30, 2018.
